FRESH FLOWER BASKET ARRANGEMENT WORKSHOP

Fresh Flower Basket Arrangement Workshop

Get Living Sherlock Quarter, Birmingham · Wednesday 13 August 2026

Event Overview

B&B Events returned to Sherlock Quarter for another spectacular evening — this time a Fresh Flower Basket Arrangement Workshop that had the whole community buzzing with creativity. After getting buckets upon buckets of gorgeous fresh flowers safely onto site in sweltering 36°C heat, the event got under way in spectacular style. Residents — from adults to children — dove into an array of beautiful flora, selecting from a stunning range of fresh flowers and foliage to create their own unique arrangements to take home. Expert guidance was on hand throughout from Kat Brittain, whose passion for floristry and hands-on experience shone through as she helped residents find balance, technique and confidence in their creations. The result was a beehive of floral activity — joyful, sociable and wonderfully fragrant, with drinks and snacks adding to what was a truly lovely community evening.

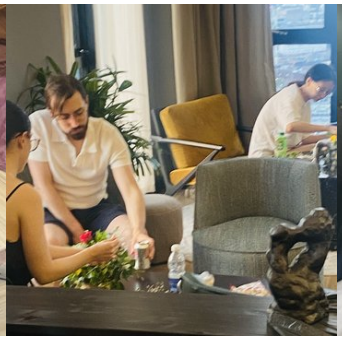

Highlights from the Evening

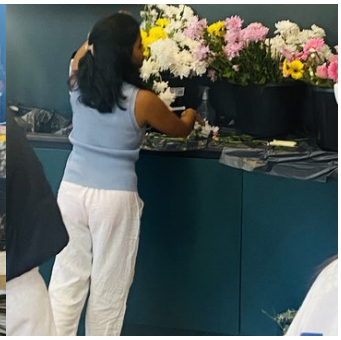

What Residents Said

> *I'm so pleased with how mine turned out.*
>
> — Resident
