B&B EVENTS

Dahlia Wall Art Workshop

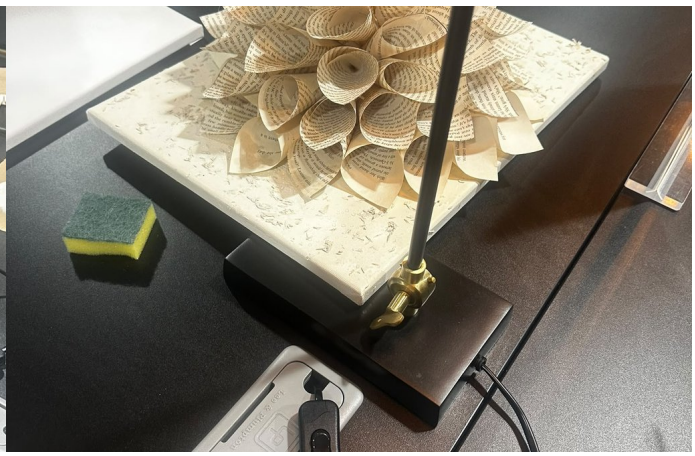

Resident Craft Event · Wednesday 26 August 2026 · JLP Landrow Place, Birmingham

Event Overview

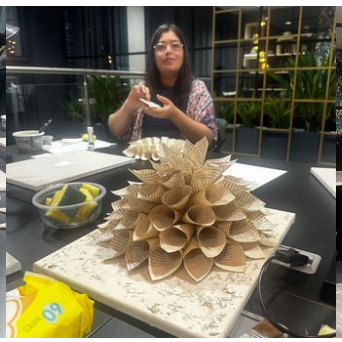

What a wonderful and relaxing late summer evening at Landrow Place — residents gathered for the Dahlia Wall Art Workshop and produced some truly stunning results. Each resident began by creating their own unique canvas background; some chose texture effects, others reached for sponges and traditional brushes, each backdrop as individual as the person making it. The centrepiece was a Dahlia bloom hand-rolled from tiny square cones of pre-loved book pages, arranged layer by layer into sculptural petals and fixed to the canvas. Not everyone followed the classic circular design — some put their own creative spin on the arrangement — but every single piece was impressive and ready to go straight up on a wall. Residents were already thinking about exactly where they would display their new artwork at home. A fantastic evening of craft, music, great conversation, and real excitement about the next autumnal event.

Highlights from the Evening

What Residents Said

> *❝ I've loved everything I've made over the last couple of months. ❞*
>
> **— Resident**

> *❝ I love it because I've made things I can put up in my home. ❞*
>
> **— Resident**

> *❝ Can't wait for the next one to see what I can make. ❞*
>
> **— Resident**

❝ Excitement is already building for the next autumnal event — watch this space! ❞ · B&B Events · Coming October 2026
