# Decoupage Olive Oil Bottle Workshop

Resident Crafting Event · Wednesday 28 May 2026
JLP Landrow Place, Birmingham

## Event Overview

B&B Events hosted a creative decoupage workshop for residents of JLP Landrow Place, Birmingham, on the evening of Wednesday 28 May 2026. Participants transformed plain white olive oil bottles into beautiful, personalised keepsakes using decoupage tissue papers, water-slide transfers, scissors and Mod Podge. The session was relaxed, sociable and skill-building — welcoming crafters of all abilities. Bottles were decorated with nature-inspired motifs including wildflowers, birds, mushrooms, bees and maps, then finished with a rope collar, an oil-pourer spout and a hand-lettered gift tag.
