

Decoupage Olive Oil Bottle Workshop

Resident Crafting Event · Wednesday 28 May 2026
JLP Landrow Place, Birmingham

Event Overview

B&B Events brought an evening of creativity and community to JLP Landrow Place, Birmingham on Wednesday 28 May 2026 — and the results were nothing short of wonderful. Residents gathered for a decoupage workshop, transforming plain white olive oil bottles into stunning, personalised keepsakes using tissue papers, water-slide transfers, scissors and Mod Podge. The atmosphere was warm, relaxed and full of laughter as participants — many trying decoupage for the very first time — discovered a real flair for the craft. Every single attendee left with a beautiful, hand-decorated bottle they were visibly proud of, and the buzz in the room was electric from start to finish.

Highlights from the Evening
